Course Description: A beautiful EPIC course, don't miss it! If it's dry the gravel road is fast! The northern part of the course follows the lake shore line and is very windy & twisty. That will make the race... The race loop is 10 miles and includes 3 miles of gravel. The lake shore roadway is the smoothest pavement in the midwest. Small rolling hills with one 100 foot climb at the finish line.

Directions: Perry Lake, Kansas. At the top of the Thompsonville hill, next to the Perry Lake dam. US Highway 24 east from Topeka or west from Lawrence, North on 328. Look for the race signs.

Race Saturday April 17th, Amelia Earhart Crit. Atchison, Kansas. One hour north of Perry Lake. Call 913.360.2617

Lucky \$77

The lucky winner of the race with the 2nd largest field size wins an extra \$77.*

\$1600 of Prize Value

Extra's:

If you don't bring heavy training or touring tires you will flat. Run your tires at max pressure and use 25 - 28 mm Specialized Armadillo's, Conti Ultra GatorSkins or other heavy training tires. **Do NOT use your regular road tire!**

Bring an extra tube and pump or CO2 so you can finish if you flat twice. We'll have wheel vehicles but they will be worked hard. **Wheels in = wheels out.** Bring spare wheels if you want a pair.

Minimum field size is 6 riders for 1/2/3, 4/5, and 3/4 race. Promoter may combine categories and modify race length. All USCF rules apply.
