Come to the first annual Toto Cyclocross Challenge. This is one of the first events that kicks off **an exciting season of Cyclocross in Kansas**. The race is located on the site of a former Soap Box Derby track. The race traverses the "Derby" hill twice, once perpendicular to the track, very steeply and the other in reverse direction of the Derby. It also incorporates three dismounts and two steep descents. In addition there are three sweeping straight-aways and several flat switchbacks.

- The course is a very challenging mix of steep barriered climbs, fast descents and tight chicanes.
- Pre-register early at: <http://www.active.com/active/>, although must sign a waiver on site.
- Day of registration opens at 9:00 am and closes at 30 minutes prior to the event. No late fees.
- Numbers to be pinned on right side of jersey, no sleeveless jerseys.
- Race will be held rain/shine or windy.
- Promoter reserves the right to alter race, race time, combine categories and awards.
- **All USCF rules apply**, refer to <http://www.usacycling.org/officials/> for a download of the rulebook.
